

ORACLE FUSION MIDDLEWARE CONSULTING SERVICES

Business visibility through middleware.

“In the middle of difficulty lies opportunity.”

Albert Einstein

Business Process Management and Service Oriented Architecture remain the highest strategic IT priorities for many organizations according to Gartner Research. Companies are under increased pressure to optimize business agility and visibility into performance. Today's enterprise needs flexibility in order to respond to constant business change.

Business Process Management | SOA | AIA | Webcenter

Oracle Fusion Middleware (FMW) Consulting Services from Apps Associates will facilitate your transformation into an agile enterprise. Based on a global delivery model and deep Oracle

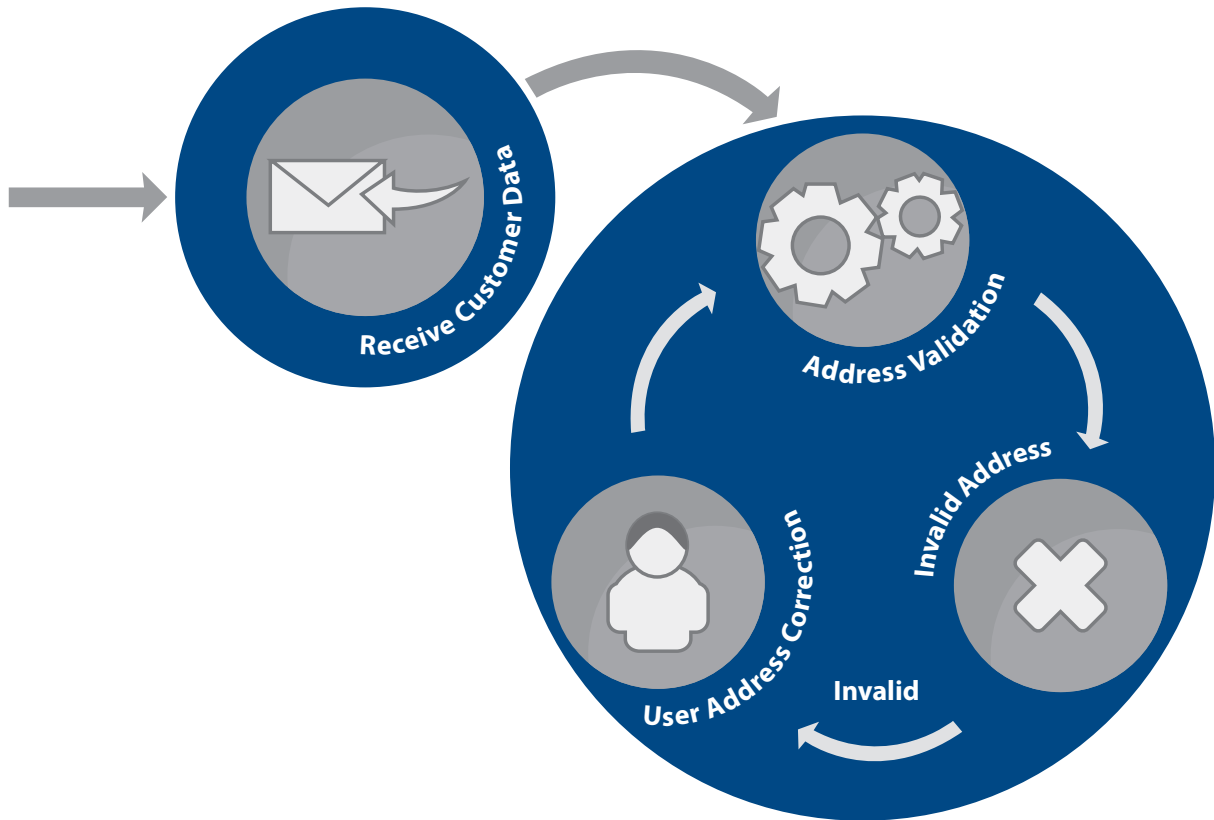

Fusion Middleware experience, our team will define your FMW strategy and implement a cost effective and optimized solution that will enable innovative business models by integrating people, processes and systems.

Apps Associates Fusion Middleware Practice Employs Proven Techniques in Delivering Business Agility

“As Hologic moves forward with SOA initiatives, it is critical that we engage an experienced partner that understands BPM/SOA and Oracle’s Fusion Middleware technology. Apps Associates knowledge and capabilities in this area along with our long standing relationship make them our 'Go To' partner for our integration and SOA projects.”

Dave Rudzinsky, SVP & CIO
Hologic, Inc.
